

Seedy Sunday

SEED SWAP at the Parochial Hall, Marsden
Sunday 28th February, 11am - 1pm

MASTT's annual swap of all things seedy and a great introduction to our season of "growing events"

This event is for people who are interested in starting to grow their own food and is also open to existing growers from within the community.

Local growers will be on hand to give advice and encouragement over a cup of tea – what a perfect start to your growing year!

Bring seeds or seedlings to swap with others and multiply what you'll be growing in 2010.

Here a chance to place your order for seeds and materials and let our bulk purchasing power work for you by taking part in a MASTT bulk order.
